

2025 IEEE Africa Student Conference on Applied Science,  
 Engineering and Technology (ASCASET'25)

Call for Papers

June 26–29, 2025

Conference Overview

The Africa Student Conference on Applied Science, Engineering and Technology (ASCASET) focuses on the state-of-the-art in various Applied Science fields and their synergetic integration to explore theoretical engineering venues and solve practical technological problems. Topics of interest include, but are not limited to:

- Information and Communication Technology
- Computer Systems for Smart Grids
- Renewable Energy
- Computer Networks
- Embedded Systems
- Real-Time Operating Systems
- Optical and Wireless Networking Technologies
- Medical Informatics
- Robotics and Automation
- Smart Systems
- Software Engineering
- Cybersecurity
- Operations Research and Optimization
- Environment, Water Resources and Biofuels
- Corrosion and protection strategies
- Cloud and Grid Computing
- Distributed and Parallel Computing
